I'm a busy lady and don't have much time in my day. When I can, I call Johnny for a quickie at lunch. He's real close and my husband is too far away. It's a great arrangement and I take advantage of it anytime he's is home. Besides, my hubby thinks anal sex is too kinky for him, but Johnny loves to fuck my ass!

In college, I had developed a reputation as a champion cock teaser, a young lady who let everybody know just what she had but didn't let just anybody touch. Then I got married and reserved those finely honed skills for my husband. Then we got divorced and I'm out there again, testing my cocksucking skills. Careful guys, I may be in your hometown next!

doing double duty today

My husband and I had discussed threesomes before, but never with another guy, and they were just talk. Now I'm looking at my husband as he comes over right in front of me. Then our neighbor walks behind me putting his hands on my shoulders. My husband pulls my robe off exposing my breasts. I can only stand there as these two me are fondling me. I hadn't been with two guys since college and it was obvious from the wetness of my pussy that this was something I must want.

I love my breasts. I wouldn't change a thing about them. My first husband and I talked hours on end, having all sorts of conversations about them. We laughed and laughed and we both played with them. Guys love lady boobs. I will never understand why but they hold special powers. So some days, like this week, my breasts are offerings to my lover. I am happy to offer them up to him. Two delicious mounds of pleasure to enjoy all night long.

Sometimes you have to spice it up by going down

My name is Peter and my new wife, Jenny is sitting with me watching some TV. I suggest we turn the TV off and try something new. New? Yes, even though we've only been married seven months, our sex life is starting to stagnate. We try to think of ways to spice it up and tonight it was my turn to come up with something new.

I say we should sit back to back, and tell each other what we would do to one another. The first person to touch themselves, has to be the other's sex slave. Jenny says she likes the idea, so we sit on the floor, back to back. I'll start. I tell her that I'd walk up behind her, place my arms around her waist and start kissing, and nibbling on the back of her neck.

Then I would slowly caress her breast with my right hand, while holding her close with my left. As I press against her, she will be able to feel my hard-on against her butt cheeks. Then I'd lick and kiss my way to the side of her neck, where I'd suck and nibble gently. Then I'd lift her bra up, so that I'd caress her breasts better. She sits there with her eyes closed, thinking about this, and staring to get very wet.

Then I slide my hand down the front of her pants, caressing her crotch from outside her pants, feeling her wetness. While pinching her nipple and caressing her crotch, she rocks her hips back and forth, feeling my hard cock pressing against her butt. I then turn her towards me, and we kiss, pressing my lips against hers, feeling her body getting excited, with each time our tongues touched each other. I then would remove Jenny's shirt and bra, to lick, suck and nibble on her hard nipples. Running my tongue all over her nipple while pinching the other. She moans and lets out a short sigh. I take her nipple between my teeth and gently bite, as I run my tongue all over the tip, making her go crazy.

Then I would kiss my way down to her belly button, licking and kissing her down to her pants. I'd then undo the button and slowly unzip them. Taking both hands, on either side of her hips, I slowly re-

It doesn't take long for a couple's sex life to become mundane. That's when communication and a willingness to try different things becomes important. The best part is that's it's always fun to try.

To the Editor,

I had a little car accident last week so I'm in the hospital now trying to recover. I'm stuck in bed with nothing but the TV and nothing else to do, until one of the guys from the office smuggled in a copy of *Lusty Wives* for me with Naomi on the cover. It has been a life saver. It has kept he amused for a few days. So... it's late one night and I thought all was quiet and I was horny so started stroking my cock because I was looking at her layout. Then, I hear a night nurse walk in and she catches me doing it. Of course I stop and try to hide it. I close my eyes to pretend I'm sleeping. As she does her bed check, she finds the mag – and my hard on. I hear a little giggle and she tells me that I don't need to be doing this while she's on duty. I open my eyes and she's looking at the mag and smiling. Then I feel her slide her hand under the sheets straight to my hard cock and squeeze. She strokes me for a few minutes while she's looking at Naomi and says. "I see you're much better now, Mr. Rosen. We can release you today."

– Sandy R., Louisville

move her pants. I ask her to step out of her pants, kissing my way back up the other leg, sucking the back of her knee and licking up the inside of her inner thigh. Jenny is getting wet, thinking about how good my tongue feels on her skin.

Just then, my cell phone rings and I answer it. I step into the other room and can't see Jenny anymore. She lays back on the floor thinking about all I have said and done. She starts to pinch her own nipples, feeling them harden in her fingers. She then runs her hand inside her pants, and starts to caress her wet pussy. She is really getting in to it and doesn't hear me walk back into the room. I stand and watch for a few minutes as she brings herself to climax. Just as she is about to cum, I say, "You lose." She smiled, and says I guess I did. So she asks me what do I want? I think about it for a minute.

I decide that I want to watch her get herself off. She says okay. She starts to remove her clothes quickly, but I stop her and tell her first I want a strip show. So she puts her shirt back on and slowly removes her clothes, teasing me as she slowly removes each piece of clothing. She throws her bra into my face, then she undoes her pants, and teases me as she removes them. She stands there in her panties, then bends over and pulls them to the side so I can get a better view. I see how wet she is and start to caress my cock through my pants. She stands up and removes her panties, and throws them into my face and I smell her sweet soft scent.

Now she bends over and opens her butt cheeks so I can get a better view. While she's bent over, I hand her a dong I got when I went to the other room answering the phone. She grabs it and starts to rub it against her clit, then down to her wet vagina. To make sure it is wet, she rubs it hard against her clit, and turning it around, she places the fatter end inside her and rubs her clit with her other hand. She removes the toy and lays down on the floor, placing both legs on the coffee table, and opens them wide. I move close to her and remove my pants, sit down, and start to rub himself. Jenny has an idea, and gets up, and goes into the other room.

While she's gone, I remove all my clothes, and wait for her to return. When she does, she has a glass of ice cubes, and a box of matches. She lights a candle, and then lays back on the floor. She allows the wax to drip on her breast as she rubs her clit with an ice cube. She then rubs the ice cube all over her wet pussy, and then up to her belly but-

ton. She slowly moves the candle down her stomach as the wax melts and drips on her body. As the wax drips on her body, she lets out soft sighs and moans. She allows the wax to run down between her legs, on her inner thighs, and all over her mons.

She blows the candle out, and then takes another ice cube, and runs it all over the wax, that has collected on her clit. Sliding the ice cube all

over, she then slides it inside of her, pushing it all the way in. She starts to rub hard against her clit as the ice melts and runs from her vagina, making a wet puddle on the floor. I start to stroke myself more and harder, watching her as she moans and sighs. She starts to call out that she is cumming, and starts shaking as she sprays her lady-cum all over. Jenny has never gushed like that before, at least not while we've been together. Watching this, I pounded hard and fast on my cock and start to cum. I can't control my cock and lean over her and I cum all over her boobs.

Then I get down on the floor and lay next to her. We hold each other and kiss. Her body is still shaking, but whispers that now she needs to be fucked – hard. She sits up and leans into me taking my semi-hard cock into her hands, and working it back up. She takes it into her mouth, tasting the remaining cum on my cock head. I then reach over and start to caress her wet and wax-covered pussy.

Feeling the ice water running from her pussy, she lays back. I place two ice cubes inside her, and then start to lick her there. She starts shaking again and it does not take her long before she is cumming. As the ice melts and runs out, I lick it up, tasting all of her sweet juices mixed with the ice water. Then I move and slide my hard hot cock into her cold, wet, tight pussy. She lets out a loud moan and digs her nails into my back. I ram my cock in her hard and fast, each time feeling her get tighter, and tighter. She digs her nails harder into my back, and starts yelling out with pleasure.

After only two minutes of rest, she told me that she was now ready to try something new, if I was up to it. Why wouldn't I be? We both stood up, and she laid herself over the arm of the sofa. I stood behind her and opened her legs. Then I knelt down, and started to lick her wet pussy from behind. She starts to cum again, this time all over my face. I stand up and tease her with my cock, rubbing it all over her clit and smacking her butt with it. Then just sliding in the head, I held it just inside her. She wanted more so she starts to ram herself hard against me. With me so deep inside her, she starts to cry out in loud sexual passion to fuck her harder, which I do until her screaming melts into a soft whimper of a final climax. Soon, as we're both covered in sweat, I start to cum. I pull out and spurt all over her butt. We fall to the floor tired, all hot and sweaty. After a few minutes, she says that we should take a shower, and finish up in there. I smile and tell her I'd race to it.

– Peter, Illinois

With me so deep inside her, she starts to cry out in loud sexual passion to fuck her harder, which I do until her screaming melts into a soft whimper of a final climax.

I'm just one of those girls. One of those girls who will eat you up and then spit you out, unless Idecides to swallow.When I have your cock in my mouth, I want you to fuck my face. Shove your cock down my throat like you mean it, like it's the last mouth you'll ever fuck. Then shoot your delicious man-goo and I'll swish it around and gargle with it while you try to figure out what I'm going to do next.

it's much better in the booty

I'm one very naughty girl. My ass calls out to he fucked and Lee answers the call. But first, before my pussy, before my ass, cums my mouth. I love giving head because that tells me, up close, how big and hard the guy's going to be. If I can't take it all into my mouth, then he measures up. If I can deep throat him, it's still good, but I do love 'em large.

Katja

four are better than one

When I told my husband that I had an insatiable sex drive, he was fascinated by it. We did kinky stuff, then progressed to three-ways with both men and women. Then, believe it or not, that started getting old. One day I told him that I wanted to do three guys and that progressed to four. After doing these four dudes, I think I reached my limit. It was a lotof fun and I think my hubby liked participating and watching.

I find out there's little these two won't do to each other – or to me

women in lust

I think I have a pretty good relationship with my wife. We have our good moments and we have our bad moments. When it comes to sex, she's enough for me. She has a good, tight body and always has a way of making my fantasies come true. Her name is Francine, and she's got a great ass. Because of that she has been called Fanny since her college days, and I must say it still fits her.

We live on a golf course in a gated community near Boca Raton. It's a nice house that I pay for with my tech consulting business. It's fairly modest as I look around at some of the others on the site. One of the nicest features is the swimming pool. In the evening we often swim and sit out on the deck, looking out at the course's ponds watching the water fowl play as the sun goes down.

Usually, our life is pretty boring, every day-type stuff. Fanny's good friend, Colleen will spend weekends with us from time to time and I must say life is a lot less boring with her around. A stunning brunette with a flat washboard belly and a super set of full round boobs. When she sits around in her swimsuit, I cannot see a single mark on her entire body. She simply has flawless skin with a rock hard body, dark eyes and red lips that somehow always seem to be smiling. The wife lets me have my fantasies about Colleen but she makes sure that they are just fantasies. That's fine with me because I get to stare at Colleen all day and bang the hell out of my wife all night.

It was one of those long holiday weekends and Colleen would be spending it with us. I left work early and rushed home knowing that she would be there. She did not disappoint. When I arrived home Fanny were at the pool, as usual, both in their skimpy bikinis, stretched out on the pool's lounge chairs.

Still holding my briefcase, I go out to announce that I was home. "Just catching the last of the sun before it goes down." Colleen said. We talked a little small talk and I drooled over both of them for a few minutes. They watched the sun go down as I watched Colleen's chest rise and fall with each breath. Fanny suggested that I mix us all some drinks and we could sit around in the hot tub. "Good idea." I said and fifteen minutes later I returned in my swimsuit with a pitcher of piña coladas. I poured everyone a drink

and slipped into the hot tub with them. I even said that with a beautiful woman on each side of me and a long weekend ahead, well it just doesn't get any better than this. That was will prove to be an understatement.

After several refills, I think the real weekend started when I thought I saw Fanny's nipple, just under the water line. We kept talking and laughing, just having fun and then I caught a glimpse of her nipple again through the bubbles. I looked her over real good and I could not see any straps from her bikini top. As I handed out another round of drinks I had the opportunity to whisper in her ear, "Are you wearing your top?" "No, they're both off, top and bottom." she said out loud. Then Colleen chimed in, "I'm not wearing any either. I'm naked, too." She then got up just far enough out of the water to reveal both of her gorgeous breasts.

They watched the sun go down as I watched Colleen's chest rise and fall with each breath. Fanny suggested that I mix us all some drinks...

Seems like the wife had obviously been making plans for the weekend with Colleen and she was obviously willing. I just looked at the smiling wife and said "You're amazing." Colleen said "Oh, how sweet." and then she moved close and kissed me. So it was definitely a weekend to remember, but it would take a book to write it all down. However, I'll do my best with describing the highlights for you, and the first one was sitting in that hot tub with a beautiful woman on each arm. Just kissing the wife and then kissing Colleen as both of then played with my growing cock. What a wonderful way to start a long weekend.

Then it finally happened. Tonight, this is the happiest place on earth. Getting a blowjob from both girls was outstanding. Fanny will take her time and play with my cock when she gives head. She spends a lot of time lightly sucking and licking around the head. She likes to slowly suck and play with my balls. It's very nice and I always have a good orgasm that way. Colleen just sucks like she's trying to get a tennis ball through a garden hose. She was harsh and aggressive. I realized they are both so different in their methods after Fanny and Colleen took turns working on my cock. My wife came up to kiss me and Colleen went back to sucking on my cock. I learned to appreciate that hard core vacuum suck right then and there. She sucked my cum out like she was drinking from a straw. I didn't even pump my cum out, it just shot out so fast and so hard, I hardly had time to experience an orgasm. She actually sucked so hard she pulled my butt right off the seat. As I tried to catch my breath I watched the two girls kissing and heard the wife whisper that she didn't taste my cum. Colleen just laughed and said that it went down so fast that she didn't get to taste it either.

The weekend got even better the next night as I watched the two girls make love, it was amazing. I sat in a chair watching them make love by candlelight. I thought the best part was watching Colleen climax as the wife was down on her, but it really got interesting when Colleen was eating out Fanny. It was all soft and slow when my wife made love to her but when the tables were turned, Colleen just tore into Fanny. She pounded her fingers into my wife's pussy and ass, all the while slapping her clit around with her tongue.

I've gotten Fanny off hundreds of times and if you get her horny enough she will actually spray when she comes. So when she put her head back, arched her back and clawed at the sheets, I knew that Colleen was about to get a mouthful, and she did. I saw the mist fly past Colleen's beautiful cheeks and when she sat up she was wet from her chin to her navel. We even had to change the sheets before going to sleep that night. Colleen had never seen anything like it. I assured her that it was pretty special to make her spray like that. She really needs to be super turned on for it to happen.

We ended the weekend with both me and the wife making love to Colleen. We all three kissed and I sucked one boob while Fanny worked on the other one. I fingered Colleen's pussy while Fanny rubbed her clit. Fanny ate out Colleen while I got head, and then I ate Colleen while Fanny sat on her face. Then the girls got into a sixty-nine position and I doggied Fanny while Colleen licked her clit from below.

So when she put her head back, arched her back and clawed at the sheets, I knew that Colleen was about to get a mouthful, and she did.

I held out as long as I could but there came a time when I was on my back with Fanny riding my cock. Then she bent down and stuck her boobs in my face. That's when Colleen stuck a vibrator up the Fanny's ass. There was no way I was going to stop that one and I just held on as Fanny and me both pounded out our orgasms. I did get to watch Colleen suck my cum out of Fanny's pussy right after that. I don't know if she liked it or not but she didn't have a chance to say no with Fanny sitting on her face. Colleen's beautiful face was just covered in a wet mixture from both of us. I think we had to change the sheets that night too.

While all the sex was amazing and made memories I'll have for a lifetime, I won't forget the two of them naked, just sitting on the bed laughing and comparing notes about some guy they both had dated back in college. Then there was the time we went out drinking and dancing with both girls dressed to the max. I got so many jealous stares out on the dance floor as both of them rubbed my crotch and kissed my neck.

Will we ever get together again? I'd like to think so since we did talk about it. Right now Colleen is not dating anyone but that will probably change. I can't see her going it alone for too long. I guess we'll just have to wait and see.

Cleopatra & Asia

boobs, tongues and pussies, oh my

When these two are finally alone, they can go buck wild. But here, they can't get into trouble just because they want to eat pussy all day. There's little to get in the way of their oral pleasures. Except the need to have something big inserted into their pussies. And since no man is around, rubber will have to do today.
